Word Poems

Choose a word you would like to write about. The longer your word, the easier it will be to write a poem. If you can't think of a word, try to find one in the English dictionary.

Word: _____

Try to make as many words as you can with the letters in your word:

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Use some of the words you brainstormed to make a poem about your word in the box. Read your work carefully for spelling mistakes. Look up any words you are not sure about in the dictionary.
